Electrotech Sales Group, LLC (Formerly Woertz-USA)

As of January 1, 2009, Woertz USA changed their name to Electrotech Sales Group, LLC (ESG, LLC). This was done to better service customers by offering a more complete range of control panel products, including several additional terminal block manufacturers.

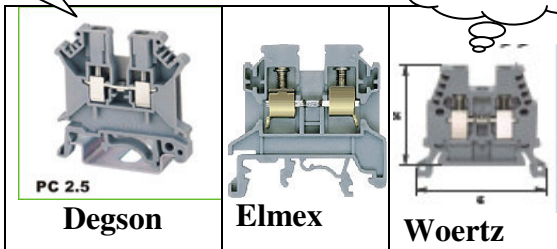

We at ESG, LLC pride ourselves in being the control panel termination experts.

We sell and support terminal blocks from:

1. **Degson Electronics Company, LTD**
2. **Elmex Controls Pvt. Ltd.**
3. **Woertz AG**

1492-W4!

Each manufacturer is internationally known and offers high quality, reliable products.

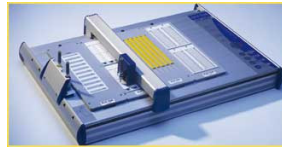

The **Elmex terminal blocks** cross-over well with most the competitor's blocks on the market (i.e. Entrelec, Altech, Weidmuller)

The **Degson terminal blocks** and **Woertz terminals** cross-over well to the Phoenix terminal blocks and the 1492-W series from Rockwell.

Degson also has a functional line of cage clamp (screw-less) terminals which cross-over well with Wago.

Services:

We can build custom terminal assemblies and can plot custom labels for all the terminal blocks.

Some Part Numbers - prices start at \$0.35/ea.!
